

The ideal solution for
MINES & QUARRIES

RELIABILITY

Quality guaranteed

Our undercarriage components are entirely manufactured in the Group's production facilities starting with a rigorous selection of raw materials.

PERFORMANCE

Longer life, Lower cost

Our undercarriage components ensure a marked reduction of maintenance costs thanks to their reliability and performance over time.

ASSISTANCE

360° service

The ITR dealer is at your disposal to offer you a complete service, from technical support to customization of components.

- The widest multi-brand undercarriage range.
- An extensive and widespread global distribution network.
- Alongside the customer, anywhere and anytime.
